

How ready is your financial picture?

A short self-assessment of how complex your financial life is, and how ready the people who would step in are to take it over. Fill it in, then score yourself below.

01 Count and rate what you hold

FOR EACH YOU HOLD: HOW MANY, THEN HOW READY IS YOUR FAMILY TO FIND AND MAKE SENSE OF IT (1 = NOT AT ALL, 10 = COMPLETELY). LEAVE BLANK WHAT YOU DO NOT HAVE.

BE HONEST. WRITE A NUMBER 1 TO 10 FOR EACH.

1 = NO CONTACTS KNOWN · 10 = ALL DOCUMENTED

If you were no longer available, how much of your strategy, context, and decision-making would survive? / 10
1 = LOST AND IRREVERSIBLE · 10 = FULLY TRANSFERABLE

SCORE YOURSELF
